Program Coordinator Latin American Initiatives

Graduate College

Jan 2011 to Dec 2013

University of Arizona, Tucson, Arizona

- Developed and Coordinated the Latin America Summer Research Program (LASRP)
- Recruited participants for the summer program and prospective graduate students from Latin America
- Coordinated institutional partnerships with Latin American higher education institutions and sponsors
- Supported recruitment efforts for potential CONACyT students
- Organized welcome receptions for graduate students from Latin America
- Assisted the Associated Dean with strategic administration activities
- Collaborated with the Undergraduate Research Opportunity Consortium (UROC)
- Developed and negotiated funding proposals for the research program
- Collaborated with the UA office in Mexico City

Graduate Research Assistant, Graduate College

Aug 2006 to Dec 2010

University of Arizona, Tucson, Arizona

- Developed an online application to manage prospective graduate students
- Participated in conferences and promoted the CONACyT scholarship program
- Recruited prospective CONACyT students
- Supported CONACyT agreement and regulations
- Served as a mentor for CONACyT students in application process and retention
- Assisted front-desk administration activities
- Created and coordinated a research program model for international students

- Organized welcome events for graduate students from Latin America, UA mentors and key partners on campus

Instructor, College Academy for Parents

Early Academic Outreach

Aug 2006 to May 2006

University of Arizona, Tucson, Arizona

- Developed classroom activities for fourth and fifth grade students
- Promoted higher education as a pathway for Latinx community
- Attended team meetings
- Collaborated with other instructors to develop classroom activities
- Coordinated curriculum content
- Participated in program activities including parent meetings

Research Mentor, Graduate Program

Aug 2004 to May 2005

Autonomous University of Durango, Mazatlán, Sinaloa, México

- Served as an advisor for five master's students in Information Systems and Technology
- Taught research courses and workshops
- Oversaw research activities
- Coordinated thesis committees
- Edited master's thesis and provided feedback to mentees
- Authorized approval forms to obtain a master's degree

Instructor, Information System Engineering B.S.

Aug 2004 to Nov 2004

Monterrey Institute of Technology and Higher Education, Mazatlán, Sinaloa, México

- Taught one undergraduate course
- Developed academic content and activities
- Supervised student projects
- Attended faculty and department meetings
- Organized and submitted grade reports
- Designed and coordinated a Black Board website for this course
- Participated in teacher training sessions

Instructor, Graphic Design B.S. and Pedagogy M.Ed.

Aug 2004 to Nov 2004

Autonomous University of Durango, Mazatlán, Sinaloa, México

- Taught two undergraduate and one graduate courses
- Developed academic content and activities
- Supervised student projects
- Attended faculty and department meetings
- Organized and submitted grade reports
- Participated in teacher training sessions

Associate Director, Dean & Student Affairs Office

Professor, Information System Engineering B.S.

Jan 2001 to July 2004

Monterrey Institute of Technology and Higher Education, Mazatlán, Sinaloa, México

- Assisted faculty initiatives
- Organized class schedules for each bachelor program
- Coordinated and organized faculty and department head meetings
- Served as a mentor for undergraduate students
- Taught two to four undergraduate courses per semester
- Developed, coordinated and supervises workshops for prospective high school and undergraduate students
- Coordinated, identified and advised collaborative relations with local schools to recruit potential students for bachelor programs
- Organized faculty training to implement collaborative and project-oriented methodologies and, Black Board
- Attended team meetings and participated in leadership committees
- Supervised three students workers
- Coordinated, oversaw and negotiated internships for undergraduate students in local business and organizations
- Participated in international and local training as part of teaching career
- Coordinated and served as mentor for the ACM student chapter
- Supported and promoted student conferences

Assistant Professor, Information Technology Management M.S.

Virtual University

Aug 2000 to Dec 2000

Monterrey Institute of Technology and Higher Education, Monterrey, Nuevo León, México

- Designed, planned and coordinated academic activities for an online master course
- Graded students
- Co-coordinated course content and activities
- Participated in department meetings
- Served as a mentor for graduate students
- Assisted a professor for this course
- Co-coordinated more than 300 students

Professional Assistant and Financial Aid Coordinator

Financial Aid & Scholarship Office

Aug 1998 to Aug 2000

Monterrey Institute of Technology and Higher Education, Monterrey, Nuevo León, México

- Coordinated collaboration efforts with the Department of Information Systems and Technology to develop information applications and systems
- Developed an operational procedures and user manual
- Implemented and coordinated a new financial aid program
- Participated in department and student affairs meetings

- Supervised one student worker
- Collaborated with other departments and units to improve scholarship/financial aid opportunities for students and increase graduation rates
- Attended training sessions
- Coordinated efforts with academic departments to identify appropriate financial support for prospective and current students

Professional Assistant, Information System Engineering B.S. Jan 1998 to July 1998

Monterrey Institute of Technology and Higher Education, Mazatlán, Sinaloa, México

- Assisted the department head and projects
- Coordinated and supervised academic and extra-curricular activities for faculty and students
- Recruited prospective students
- Organized informative sessions for students and parents/tutors
- Assisted prospective students in applying to the bachelor program
- Visited local schools to promote the bachelor program
- Organized course schedules
- Assisted the enrollment process
- Served as an academic advisor
- Attended departmental meetings
- Assisted institutional recruitment efforts

Assistant, Alumni Office

Aug 1997 to Dec 1997

Monterrey Institute of Technology and Higher Education, Mazatlán, Sinaloa, México

- Coordinated the alumni database
- Organized meetings and events
- Served as a liaison between the alumni association, partners and Alumni Office
- Synchronized campus and partner efforts to promote the alumni association
- Participated in student affairs meetings
