FOR THE NEXT COLLEGE OF EDUCATION WEDNESDAY EXCHANGE BROWNBAG SESSION ON

Research on Educational Equity & Diversity in STEM

Wednesday, March 13th

1:00PM - 2:30 PM

Location: College of Education TBD

The College of Education has four **postdoctoral scholars** who are part of the NSF Research on Educational Equity and Diversity in STEM (REEDS) Postdoctoral Fellowship. This program aims to promote diversity and inclusivity in STEM fields by supporting scholars in conducting innovative research and fostering inclusive learning environments.

Come to learn about who they are and what they are doing!
