Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Students entering the PhD program are recommended to meet with their academic advisor as soon as possible if they wish to transfer previous coursework credits, and/or make course substitutions or replacements. The Graduate College has a number of requirements for transfer of credits from other universities (<https://grad.arizona.edu/gsas/degree-requirements/doctor-philosophy#credit-requirements>). Prior graduate coursework may alter time to completion.
