Please briefly describe what experiences an intern in your district would receive. (consider using this section to describe what day to day internship would look like throughout the internship experience):

American Leadership Academy is a steadily growing network of charter schools with a current total of 21 schools within the district. Within our district, we have a continuum of special education services that includes programs to support students with various disabilities focusing on life skills and behavioral/emotional regulation skills. As an intern within the district, you are assigned to your own school, and will fill the roles expected of the campus school psychologist including primarily evaluation and consultation. We will work with you individually to create an internship experience that provides you exposure to different populations consistent with your learning needs and preferences.

Describe professional development and training opportunities at site (check all that apply):

- regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)
- intern group supervision (in addition to individual supervision)
