- Yes

If so, what is the expected salary range?

Teacher Salary roughly \$45,000

How many interns do you anticipate hiring this year?

4

What are your intern assignments from day 1?

- side-by-side at supervisor's school full-time

Please briefly describe what experiences an intern in your district would receive. (consider using this section to describe what day to day internship would look like throughout the internship experience):

Experiences for the intern will receive include: Interacting with students of varying age, ethnicities, socioeconomic backgrounds, and with varying abilities and disabilities, characteristics, and needs. Working with parents, engage in decision making, do cognitive, academic, social/emotional evaluations, report writing, consultation with teachers/ administrators, counseling, threat assessments, FBA/BIP, IEP's, professional development, research, RTI development/implementation. The intern will be able to gain skills under the supervision of the school psychologist. The internship will start off with direct supervision then the intern will be at a school of their own with the support of the school psychologist supervisor.

Describe professional development and training opportunities at site (check all that apply):

- regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked

- Yes

How many hours do interns typically accumulate throughout the year

- 1500

What other information should intern candidates know about your district or internship experience that is not listed here?

We have an amazing collaborative psychology team and department. We work together and provide support for the team.

Experiences the intern will receive include: Interacting with students of varying age, ethnicities, socioeconomic backgrounds, and with varying abilities and disabilities, characteristics, and needs. Working with parents, engage in decision making, do cognitive, academic, social/emotional evaluations, report writing, consultation with teachers/ administrators, counseling, threat assessments, FBA/BIP, IEP's, professional development, research, RTI development/implementation. The intern will be able to gain skills under the supervision of the school psychologist. The internship will start off with direct supervision then the intern will be at a school of their own with the support of the school psychologist supervisor.

Our school district has a diverse population of students and the program that we offer gives the intern the opportunity to experience pre-school through high school. We work under the special education director and meet every month with all the psychologist in the district. Our school district allows the school psychologists to develop their own areas of expertise.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure?

- **No**

Do you require students to apply to the district ahead of time?

- **No**

If so, please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit
