Please briefly describe what experiences an intern in your district would receive. (consider using this section to describe what day to day internship would look like throughout the internship experience):

The School Psychology Intern experience in PUSD is intended to be a meaningful educational experience where the intern is afforded the opportunity to observe, attempt, and execute all aspects of the role of a school psychologist. This is done with increasing levels of independence, starting with observed and coached experiences and phasing into full independence. Additionally Peoria Unified School District strives to ensure that its interns have experiences in multiple district systems including preschool, elementary, high school, and self-contained.

Describe professional development and training opportunities at site (check all that apply):

- regularly scheduled professional development for intern level trainees (targeting trainee skills)
- regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked

- Yes

How many hours do interns typically accumulate throughout the year

- 1500

What other information should intern candidates know about your district or internship experience that is not listed here?

PUSD has adopted NASP's comprehensive practice model of school psychology services. As a result, our school psychologists provide direct services to students with social/emotional needs outlined in their IEPs, in addition to conducting evaluations, consulting and collaborating with staff and families, and participating in regularly-scheduled communities of practice with fellow school psychologists.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure?

- Yes

Do you require students to apply to the district ahead of time?

- Yes

If so, please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit
