Mission Statement

Here at SDPA, we provide a safe and flexible learning environment, so each student can spread their wings and soar to new heights.

Lessons Learned

Digital Learning

With peers, content experts, and online resources such as district adopted curriculum

- Digital Literacy
- Problem Solving
- Critical Thinking
- Communication
- Collaboration

All while supporting flexibility, modifications for personal needs, and targeted interventions.

Academic Integrity

- Must be taught and monitored
- Instructional slide deck with assessment

AI Usage

- Academic tool vs. dependence
- Must be taught
- Real world usage already exists
- Embrace it

Where are we now?

We recognize the diverse needs of our students and are committed to providing tailored educational approaches.

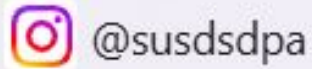

- Flexible environment
- Technology driven
- High academic standards
- Smaller class sizes
- Engaging, accessible and personalized learning
- Increased intervention support for students with various needs
- Focused on growing K=12 enrollment

We strive to create an inclusive environment where everyone can soar.

Much Gratitude!
