A photograph of a classroom or workshop setting. In the foreground, a woman with dark, curly hair, seen from the back, has her right arm raised. To her right, another woman with long blonde hair is also seen from the back, with her right arm raised. In the background, several other people are seated at tables, and one man in the center background has his hand raised. A large whiteboard is visible in the background. The text 'WELCOME TO THE CRR' is overlaid in large, white, sans-serif capital letters across the middle of the image.

New Teacher Induction Program

The New Teacher Induction Program for Secondary Mathematics supports new middle and high school math teachers (inc. SPED) in their first two years.

Participants attend monthly Saturday workshops to

share ideas,

build content knowledge, and

strengthen teaching practices.

Each teacher is paired with a coach for support in:

lesson planning,

classroom management,

instruction, and

assessment.
