

THE LEADERSHIP LOOP

Keeping Leadership Majors & ACE
Minors in the loop!

08/12/2025

Crystal's Corner

Hello everyone! I hope you have all had a great summer. My name is Crystal Soltero, and I am the Director of the Leadership and Learning Innovation Major and the Adolescents, Community, and Education Minor. My goal as the director of your programs is that this bi-monthly newsletter will “keep all of you in THE LOOP” for career opportunities and much, much more! This newsletter will also highlight a student and alum to showcase how graduates are using this major! An internship is NOT a requirement of your major or minor, but it’s a great way to build your resume and get credit all at the same time! Make sure you read on to view the unique organizations currently seeking interns! Follow this [link](#) for the step-by-step process to apply for internship credit. Please let me know if you have any questions! Thanks, and have a great day!
